HOSPICE

COMFORT. DIGNITY. UNDERSTANDING.

EVERY LIFE TOUCHES SOMEONE

ELYSIAN FIELDS (pronounced “e-lee’-shun”):

A PEACEFUL AND SERENE DWELLING WHERE HONORED INDIVIDUALS IN ANCIENT GREEK MYTHOLOGY WERE CARRIED, BODY AND SOUL, AND MADE IMMORTAL. THERE, THEY WERE FREE TO PURSUE THEIR FAVORITE ACTIVITIES, AND WORRIES AND ILLNESSES WERE UNKNOWN.

HOSPICE:

HISTORICALLY, A RESTING PLACE FOR TRAVELERS ALONG A JOURNEY. TODAY, HOSPICE IS WIDELY RECOGNIZED AS A SERVICE OFFERING PALLIATIVE CARE TO TERMINALLY ILL INDIVIDUALS WHEN CURATIVE TREATMENT IS NO LONGER AN OPTION. PALLIATIVE CARE FOCUSES ON PROVIDING COMFORT AND PAIN MANAGEMENT, PSYCHOSOCIAL, EMOTIONAL AND SPIRITUAL SUPPORT. HOSPICE COMMITS TO ENHANCING THE QUALITY OF LIFE FOR TERMINALLY ILL PATIENTS AND THEIR LOVED ONES.

No one comes into this world alone. As our years unfold, our lives intertwine with a variety of people. For those of us allowed the privilege, having the ability to make the most of our time that remains is a blessing. We can share memories, express our wishes and enjoy our final days in peace and comfort with minimal pain, surrounded by those who matter to us most. Elysian Hospice care is meant for times like these.

ELYSIAN HOSPICE MISSION STATEMENT:

TO SURROUND A TERMINALLY ILL INDIVIDUAL AND THEIR FAMILY WITH COMFORT AND DIGNITY THROUGH THE PROCESS OF DEATH AND BEREAVEMENT. WE ARE COMMITTED TO PROVIDING A COMPREHENSIVE PROGRAM OF SERVICES THAT WILL OPTIMIZE A PERSON’S QUALITY OF LIFE WHEN CURATIVE TREATMENT IS NO LONGER POSSIBLE.

Elysian Hospice offers an integrated program of palliative care and services to individuals who have been diagnosed with a terminal illness – in any venue they might call “home”. Supporting the individual’s primary caregiver and family, throughout the individual’s illness and after their death, is essential to the comprehensive program of care.

Different phases in terminal illnesses may require different levels of care, services and products. The levels of hospice care are routine, respite, general inpatient and continuous. Sometimes services for a certain level of care may require a different location other than where the individual calls home. Regardless of the level or location, Elysian Hospice services continue without interruption 24 hours a day, 7 days a week.

INTERDISCIPLINARY APPROACH TO OPTIMIZE THE QUALITY OF LIFE

Recognizing that everyone has unique needs, Elysian Hospice has assembled a highly skilled, dedicated team of interdisciplinary professionals available to manage, coordinate and provide services when and wherever required. Members of the team include a physician, registered nurse, social worker and counselor.

Elysian Hospice is owned by Cantex Senior Communities, a leader in senior residential health services. Our association with Cantex means that we can provide a full continuum of services, from short-term rehabilitation to a residential, skilled-nursing community, to end of life care and bereavement counseling.
